

# CALVERTON PARISH COUNCIL

## Winter Maintenance Policy for Car Parks off Main Street, Crookdole Lane and William Lee Memorial Park Calverton

*For the Main Street and Crookdole Lane car parks Parish Council ownership extends to the car parking areas only. Surrounding footways and pavements are the responsibility of Nottinghamshire County Council or adjacent businesses.*

### Frost & Ice

- Calverton Parish Council will not routinely pretreat its car parks at times of forecast frost and ice.
- Calverton Parish Council will not routinely treat its car parks following frost and ice, particularly where frost/ice is expected to thaw within a reasonable time.
- During periods of prolonged frost and icy conditions, where conditions are not expected to improve naturally, a salt/grit mix will be applied to areas around main pedestrian access points and vehicle running areas at a rate of 10 g per Sqm.
- The parking bays will not be treated.
- Calverton Parish Council will not provide grit bins for self service.

### Snow

- Car parks may not be cleared of snow if conditions are expected to improve naturally with 24 hours.
- At times of heavy snow, where conditions are not expected to improve naturally within 24 hours, accumulations of snow will be cleared from car parks at the earliest opportunity, once snow stops falling.
- Areas which have been cleared will be treated with a salt/grit mix at a rate of 20g per Sqm.
- Cleared snow will be stockpiled at appropriate positions within the car park.
- Icy areas may remain after snow has been cleared.
