

Greater Nottingham Strategic Plan Growth Options Consultation

6th July to 14th September 2020

The Greater Nottingham Strategic Plan will guide development of the area **up to 2038**.

The plan will include **planning policies** on housing and employment growth, climate change, biodiversity, heritage, design, transport, infrastructure and more.

The consultation document asks several **topic-based questions** that you can respond to. Responses will inform the drafting of the Strategic Plan for further consultation in early 2021.
