

Rubbish Bins at St Wilfrid's Square

We have been receiving complaints that the rubbish bins in St Wilfrid's Square are not being emptied. We are aware of the problem and although the bins do not belong to the Parish Council and are not our responsibility, we do understand that this situation is unsatisfactory, so have been trying to get something done about this. The bins are actually the responsibility of LCP Group, the landlords of the shops in St Wilfrid's Square. We have contacted them frequently but there has been no improvement. If you have any comments or complaints regarding this matter please contact LCP Group direct and hopefully this will encourage them to take action.

Their contact details are:-
email bflint@lcpproperties.co.uk
telephone 07825 138755 and 01384 400123
Good luck and let's hope this improves.
